Jamaica Inn Museum

Enter the world of Daphne du Maurier and discover tales of Cornish smugglers of old.

We're honoured to house so many delightful personal possessions of Daphne Du Maurier. Her Sheraton desk, paintings and family pictures are all on display, together with letters from Queen Elizabeth II and Prince Phillip to the Du Maurier family.

The museum also holds the UK's largest collection of historical smuggling artifacts, including numerous concealment devices and 18 century weapons. Learn about the golden age of smuggling and the gruesome reality of wreckers.

Finish with a short film about the real history of Jamaica Inn and paranormal activity that occurs after hours.
